

Commitment and Acceptance Decision Form

Congratulations on being accepted into the CodePath E³ Program! We are thrilled to welcome you to our community of aspiring engineers and innovators. Your acceptance into this program signifies your commitment to excellence and your dedication to pursuing a career in technology - and we commit to helping you get there every step of the way.

As a CodePath E³ Engineer, you are expected to meet certain requirements and uphold specific expectations throughout your journey in the program. These expectations are designed to provide you with a comprehensive and enriching experience that will prepare you for a successful career in the tech industry.

Student Expectations:

1. Course Sequence:

- a. You are required to complete a curated set of CodePath courses, many of which may be offered for-credit towards graduation or your major.
- b. Choose one of CodePath's course elective pathways in Web Development, Cybersecurity, iOS App Development, or Android App Development to explore the latest tools and technologies in tech.

2. Summer Internship Preparation and Commitments:

- a. Participate in CodePath's Technical Interview Prep (TIP) courses during the summers. You must complete at least TIP102, depending on placement test results.
- b. Select one of the following roadmaps:
 - i. TIP101 + Career Coaching Labs
 - ii. Internship Connection Program (ICP) + TIP102 or TIP103
 - iii. Internship + Career Coaching + Optional TIP103

3. CodePath E³ Program Community Participation:

- a. Join and attend local peer-to-peer study groups.
- b. Lead and participate in CodePath E³ social activities, Demo Days, Hackathons, Tech Talks, and Career events.
- c. Spread awareness of the CodePath E³ Program, and help facilitate campus info sessions for the CodePath E³ Program and related programs at your school.
